

St. Nicholas Church Prayers October 2024

But the fruit of the spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self control. Against such things there is no law. Galatians:5 v22

Heavenly Father may we take one fruit of the Spirit each day and pray over this word and let it rest upon ourself, asking you for help to instil it upon our lives.

May we Pray for our congregations of St Nicholas and Slateford/Longstone as we draw closer together in Union as one. We remember our Leaders at this time, that you would fill them with your Holy Spirit to guide and direct them.

We pray for all those in our congregations who are suffering with ill health that you may be close to them, strengthen them each day as you walk the path with them.

We remember all in our communities who are in need, due to unemployment, poverty, lack of opportunity. May Your Holy Spirit rest upon those who are recently bereaved, are lonely, in distress and otherwise unable to cope with the demands of our society. We pray that they may receive strength from You.

We pray for all who continue to live with injustice, whose lives are filled with violence and for the recent knife crime in our land. Lord please grant that Your Spirit will move us to collective actions of love and care.

We pray for all those who govern in Scotland, UK, Europe and Presently those gathered for UN General Assembly, for all who are making decisions which are affecting the world at this time.

This month, pray for all nations at war especially those still on the main news Ukraine 🇺🇦, Russia 🇷🇺, Palestine 🇵🇸 Israel 🇮🇱 Lebanon 🇱🇧

Lord, as the seasons pass, and life itself changes with the passing years, we thank you for the gifts each season brings, may we use these gifts for your Glory and for the greatest gift of all, your Son, Jesus Christ. Amen 🙏
